

Enter your username and password in the appropriate boxes.

If you have not created an eServices account, you will need to create one in order to do online testing

The screenshot shows a Windows Internet Explorer browser window displaying the Civil Air Patrol eServices Sign In page. The browser's address bar shows the URL: `gov/CAP.eServices.Web/default.aspx?ReturnUrl=/CAP.CadetTesting.Web/Default.aspx`. The page features a blue header with the Civil Air Patrol logo and the text "Civil Air Patrol eServices Sign In". Below the header, a welcome message states: "Welcome to Civil Air Patrol eServices. The site you are accessing requires a username and password. Please enter them below and click 'Sign In' to proceed. After signing in, you will be returned to the page you requested." A sign-in form contains two input fields: "CAPID or User Name" and "Password", with a "Sign In" button below them. Below the form, there are three sections: "Need Help Logging On?" with links for account activation and password assistance; "Looking For Something Else?" with links to general CAP information and member information; and a footer with links for "Privacy | Legal | Help Desk" and the text "For Official CAP Use Only". The browser's taskbar at the bottom shows various application icons and the system tray.

Then, click "cadet testing" in the left-hand box (hover over "other" if it isn't there).

The screenshot shows the CAP eServices website interface. A red box highlights the 'Other' link in the 'CAP Utilities' sidebar, with an arrow pointing to it from the text 'Then click here'. Another red box highlights the 'My Info' section, with an arrow pointing to it from the text 'Then click here'. A third red box highlights the 'eServices News' section, with an arrow pointing to it from the text 'First, go here'. The website content includes:
